

Higher Power Marketing

Company Profile

Higher Power Marketing (HPM) is an advertising agency unlike any other. HPM puts its money where its mouth is: We create, produce and place radio, TV, newspaper, and Internet advertising that produces measurable, trackable results for our clients, or they get their money back, guaranteed!

My name is Peter Feinstein, Founder, President and CEO of Higher Power Marketing; creating an advertising **system** with a money-back guarantee is the idea that launched Higher Power Marketing.

I've been helping people, just like you, experience success from their advertising since 1983! My clients have invested over \$39 million in my guaranteed process and campaigns, with most of those campaigns running as radio and TV advertising, and in the process have helped them create over \$741,000,000.00 in sales! That's a lot of money! ...And that's only from what I know from the clients where I've been able to track their sales.

You probably don't care that I believe I've been blessed with the insights into what's "next", but I'm here to tell you that you should care, because I am in **YOUR** corner, fighting your battle everyday. In my vision of 'what's next', I've seen radio, TV and newspaper advertising as **tools to help** my **clients**, not just a necessary evil, a dreaded line-item in the expense column of an Income Statement. If you're like most people, advertising is the first "expense" you cut because "advertising doesn't work". If your advertising isn't working, producing 4:1, 5:1 or 6:1 Returns On Investment (ROI), you've got to be frustrated. That's the problem I've been solving during my professional life!

Finally, the breakthrough came just under 9 years ago!

Here's how we do it...we literally pay radio and TV stations and newspapers across the country to produce a direct response for our clients. Instead of paying the media's airtime/space costs, HPM's clients pay us to have our media partners deliver a specified number of inquiries or sales that they've agreed to be responsible for producing! Think about that for a moment: HPM's media partners are willing to be responsible for producing measurable, trackable results!

You won't find another advertising agency like HPM. **Our** Standard Operating Procedure is: If our media partners fail to deliver the leads we've promised, HPM will give you your money back for every unproduced lead, guaranteed!

Higher Power Marketing's Money Back Guarantee

HPM creates, produces and places radio, TV and newspaper advertising that produce measurable, trackable results for our clients, or they receive their money back, guaranteed.

The guarantee applies to the actual cost per lead, from which we deduct our 20% commission. Typically, the cost per lead accounts for 85% to 90% of your investment with HPM, so the vast portion of your investment is risk-free! Specifically, if HPM and its media partners fail to produce the quantity of leads we've promised for your campaign, we'll refund to you the amount you paid per lead, for every unproduced lead, less HPM's 20% commission.

The guarantee does not apply to our Radio, TV or Print Tests, which are special programs, and are explained in full detail on our site www.hpowermarketing.com. Nor does our guarantee apply to call center, fulfillment house, or production costs.
