

Higher Power Marketing

Company Profile

Higher Power Marketing (HPM) is an advertising agency unlike any other. HPM puts its money where its mouth is: We create, produce and place advertising on a per action basis. We use: Radio, TV, interactive TV, Mobile (banner, audio, video, directory assistance, and search) and print media to fill our clients' sales funnels with qualified prospects!

And we do it with the industry's only money-back guarantee!

I'm Peter Feinstein, Founder, President and CEO of HPM; creating an advertising **system** with a money-back guarantee is the idea that launched HPM.

I've been helping people, just like you, experience success from their advertising since 1983! My clients have invested over \$79 million in HPM's guaranteed process, helping them create over \$1.2 **billion** in sales! That's a lot of sales!

You probably don't care that I believe I've been blessed with the insights into what's "next", but I'm here to tell you that you should care, because HPM is in **YOUR** corner, fighting your battle everyday. In my vision of 'what's next', I've seen the media as **tools to help our clients**; they are not just a necessary evil, or dreaded line-item in the expense column of an Income Statement. If you're like most people, advertising is the first "expense" you cut because "advertising doesn't work". If your advertising isn't working, producing 3:1, 4:1 or 5:1 Return On Investment (ROI), you've got to be frustrated. Eliminating that frustration is HPM's mission; it's what we do!

In June of 1999, the breakthrough came!

Here's how we do it... We literally pay thousands of radio stations, TV outlets, mobile networks, interactive TV syndicators and newspapers across the country to produce a Direct Response to our clients' per inquiry advertising offers.

With Per Inquiry-Direct Response advertising from HPM, instead of paying the media's airtime or space costs, our clients make a small, **refundable**, account-opening security deposit (based on an agreed-upon number of calls), and their

per-call advertising campaign begins! Our media partners produce trackable, measurable results, and our clients pay each week for the previous week's performance! **PI-Direct Response advertising from HPM takes the risk out of your PI advertising campaign and offers quality results!**

You won't find another advertising agency like HPM. **Our** Standard Operating Procedure is: If our media partners fail to deliver the leads we've promised, HPM will give you your money back for every unproduced lead, guaranteed!

4 Steps You Can Take To Insure Your Success In Choosing A PI Advertising Agency

1. **Make a commitment to act.** There is no 'trying', there is only 'doing'. Nothing gets accomplished without the commitment to do.
2. **List your objectives.** Know what you want; if you're not sure what you want, seek advice from mentors or those in the industry you're seeking help from. You will find a helpful soul if you look for one!
3. **Ask questions.** Learn everything there is to learn...get to know as much as you can about the industry you're looking for help from...there are many resources. Again, seek help from the industry; there are people who care enough to guide you!
4. **When you find the right company, act.** He who hesitates is lost.
